I hereby certify that the above lists showing the names and amounts due from each delinquent taxpayer, as of December 31, 1956, on account of the tax levies of 1955 and 1956, are correct to the best of my knowledge and belief.

FRANK F. COOPER,

Tax Collector

Report of the Fire Chief

I hereby submit my report for the year 1956.

The past year we were very fortunate, having had only a few fires as you will note below.

We succeeded in getting four new water holes dug and one cleaned out.

Having had one fire from burning debris on the premises and one from an incinerator that was not properly watched, I would like to call your attention to the requirements of the law if you burn on your premises.

1. Secure a permit from your local forest fire warden.
2. Properly supervise your burning—don't leave it.
3. Make sure your fire is dead out before leaving it.

The warden won't refuse a permit when conditions are safe. Save yourself much difficulty, personally and financially, by abiding by the law.

Let's try to make 1957 an even better year "firewise."

Number of fires	2
Number acres burned	1½
Number building fires	1
Number chimney fires	2
Number permits issued	22

Respectfully submitted,

ARTHUR E. STINSON,

Chief

One hundred and eighty-five new books were added during the year. Among these is the newly published four-volume history of New Hampshire, entitled "The Granite State of the United States". Also, we have the 12-volume "Do-it-yourself" Encyclopedia published by Popular Mechanics. The American Heritage bi-monthly is also a fine addition to our shelves.

The charging of fines for overdue books has now been suspended. Anyone who wishes may contribute a small sum and the money will be used for Library supplies as usual.

Won't you make it a point to visit your Public Library soon. There must be some book you have always meant to read, or some problem we can solve for you. If we haven't the book you would like, perhaps Winchester Public Library has. If not, then surely the State Library or the Library of Congress has it. We borrow continually from all of these sources. So . . . may we see you soon?

Respectfully submitted,

EDITH W. ATKINS,

Librarian

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Richmond:

I have the honor to submit my tenth annual report.

Enrollment Table, September, 1956

School	Grade												Total
	1	2	3	4	5	6	7	8	9	10	11	12	
North Richmond	13	9	8	8									38
Mt. Caesar, Swanzy					6	9	3	3					21
Hinsdale High												1	1
Keene Jr. High									1				1
Keene Sr. High										4	4		8
Total	13	9	8	8	6	9	3	3	1	4	4	1	69

POSSIBLE FUTURE FIRST GRADE ENROLLMENTS

(Data taken from School Census Cards)

1957	1958	1959	1960	1961
8	10	3	4	4

POSSIBLE FUTURE ENROLLMENTS

School Year	Grade												Tl.
	1	2	3	4	5	6	7	8	9	10	11	12	
1957-58	8	13	9	8	8	6	9	3	3	1	4	4	76
1958-59	10	8	13	9	8	8	6	9	3	3	1	4	82
1959-60	3	10	8	13	9	8	8	6	9	3	3	1	81
1960-61	4	3	10	8	13	9	8	8	6	9	3	3	84
1961-62	4	4	3	10	8	13	9	8	8	6	9	3	85

A glance at the above table will show that enrollments in the first four grades will be large for the next two years. This means that the facilities of the North Richmond School will be taxed to capacity, if all first four grades continue to be housed there.

The table also indicates that pupils in grades five through eight will increase from 21 this year to 26 next year and for the next four years thereafter will number 31, 31, 38 and 38. Tuition costs will increase for these grades if they continue to be sent to Swanzey or Winchester.

The Richmond School Board and School Planning Committee have had a number of meetings with groups in Keene, Swanzey and Winchester relative to school problems in this area. Nothing concrete or definite has come from these meetings.

The possibility of a cooperative school district comprised of the four towns in Supervisory Union No. 25, namely Hinsdale, Richmond, Swanzey and Winchester was considered. The probability of the formation of such a cooperative school district appears to be remote at the moment.

Some people in Richmond have talked about building a new two-room school in the town. According to the latest figures on hand, Richmond could borrow 3 per cent of its assessed valuation as equalized which would make its borrowing capacity \$20,997. By special permission from the state, Richmond would be allowed to borrow 4.5 per cent of its assessed valuation as equalized, thereby increasing its borrowing capacity to \$31,496. It is extremely doubtful that an adequate two-room building could be built for even the larger of the two above sums.

What, then, is the answer to Richmond's school problems. No positive solution is apparent, yet. It would seem to be a sensible approach to work with surrounding communities in attempting to improve the school facilities of this whole area. It is not an easy task. Serious, careful thought should be given to avoid embarking on something which might prove to be far from the best arrangement and an expensive mistake.

In conclusion, I wish to express my appreciation to the teacher, pupils and parents, the School Board and the patrons of our school for their cooperation.

Respectfully submitted,

CHESTER C. LEES,

Superintendent of Schools
